CONSOLIDATED CASES

INTERVENOR-DEFENDANT OREGON ALLIANCE FOR GUN SAFETY'S RESPONSE TO PLAINTIFFS' BRIEF REGARDING JURISDICTION

RESPONSE

Intervenor-Defendant Oregon Alliance for Gun Responsibility (the "Alliance") joins State Defendants' Response to Plaintiffs' Brief Regarding Jurisdiction, ECF 131. The Alliance agrees with State Defendants that the Oregon Supreme Court's order in *Arnold v. Kotek*, No. SC S069998 (Or. Feb. 9, 2023), precludes Plaintiffs from establishing an immediate or imminent irreparable injury, which is a prerequisite to preliminary injunctive relief. ECF 131 at 3; *see also* ECF 61 at 13–14 (setting forth Alliance's same position in joint status report) (collecting cases). The Alliance also agrees with State Defendants—and with Plaintiffs, albeit for different reasons—that the *Arnold* case does not moot this action *in its entirety* because, as State Defendants explain, the Oregon Supreme Court's denial of mandamus relief is not a final disposition. ECF 131 at 3.

While a case or controversy still exists for Article III purposes, Plaintiffs' motions for preliminary injunctive relief are now moot. This accords with the well-established principle that "[i]f full relief is accorded by another tribunal—whether judicial, administrative, arbitral, or a combination—a proceeding seeking the same relief is moot." Wright & Miller, 13B Federal Practice & Procedure § 3533.2.1 & nn. 6–10 (3d ed.) (footnotes deleted) (collecting cases). Thus, numerous "courts have dismissed requests for injunctive relief as moot where an injunction issued by another court granting the same relief had already been issued." Cayuga Nation ex rel. Cayuga Nation Council v. Parker, No. 5:22-cv-00128(BKS/ATB), 2022 WL 1813882, at *8 (N.D.N.Y. June 2, 2022) (collecting cases); see also SEC v. Zenergy Int'l, Inc., 430 F. Supp. 3d 384, 390 (N.D. Ill. 2019) ("[A] request for a permanent injunction generally becomes moot when another court awards effectively identical relief.") (collecting cases). For that reason, the Alliance respectfully requests that the Court deny without prejudice Plaintiffs' motions for preliminary injunction as moot.

DATED this 9th day of February, 2023.
